Dhaka, Bangladesh

EDUCATIONS

Master of Science in Statistics and Data Science,
Jahangirnagar University (JU), Dhaka-1342, Bangladesh,
GPA: **3.48** out of 4.00

2024 (Exam held 2025;
Result Published 2025)

- **Report title:** Spatiotemporal Analysis of Undernutrition using the Composite Index of Anthropometric Failure (CIAF) among children under five in Bangladesh: A study on 2011 to 2022 BDHS Data in Bayesian settings.

Bachelor of Science (Hons.) in Statistics and Data Science,
Jahangirnagar University (JU), Dhaka-1342, Bangladesh
CGPA: **3.48** out of 4.00

2023 (Exam held 2024;
Result Published 2024)

- **Report title:** Assessment of the Age-Dependent Penetrance Using the Family-Based Ancestry Information of the FAM File.

PUBLICATIONS

Journal Articles

First author

- Spatiotemporal Analysis of Undernutrition using CIAF among Under-five Bangladeshi Children in Bayesian settings: A study on 2011 to 2022 BDHS Data.
International Health (Accepted)
- Malnutrition Risk Prediction among Bangladeshi Mothers: An Interpretable Machine Learning and SHAP Analysis of the BDHS 2022.
European Journal of Nutrition (Accepted)
- Regional disparities in maternal and child health indicators in Bangladesh: Evidence from a cluster analysis of MICS 2019 Data.
Scientific Report; DOI: <https://doi.org/10.1038/s41598-025-03003-w>
- Prevalence and knowledge of polycystic ovary syndrome (PCOS) and health-related practices among young women of Bangladesh: a cross-sectional study.
Discover Social Science and Health; DOI: [10.1007/s44155-026-00388-5](https://doi.org/10.1007/s44155-026-00388-5)
- Examine the associations between social media addiction, social media fatigue, fear of missing out, and sleep quality among university students in Bangladesh: A cross-sectional study.
Journal of Health, Population and Nutrition; DOI: <https://doi.org/10.1186/s41043-025-00896-1>

Co-author

- Exploring the Factors of Premenstrual Tension Syndrome and their Influence of Academic Performance among Female University student in Bangladesh: A Cross-Sectional Study.
Women's Health; DOI: [10.1177/17455057261429272](https://doi.org/10.1177/17455057261429272)
- Exploring Computer Vision Syndrome Among Primary School Students in Dhaka, Bangladesh: A Cross-Sectional Study.
BMJ Open; DOI: <https://doi.org/10.1136/bmjopen-2024-098366>
- Risk Assessment of X-Chromosomal Recessive Inheritance using Bayesian Approach: A Simulation Study.
Malaysian Journal of Science and Advanced Technology (MJSAT); DOI: <https://doi.org/10.56532/mjsat.v4i3.278>
- Genotype-Based Individual Disease Risk for the X-Linked Dominant Ancestry Pattern of Inheritance using Bayesian Approach.
Asian Journal of Basic Science & Research; DOI: <http://doi.org/10.38177/AJBSR.2023.5404>

Under Review

- Splanchnic Venous Thrombosis in Acute Pancreatitis: Prevalence, Outcomes, and Risk-Stratified Management in an International, Multicenter Cohort (LORDS-SpVT study)
The Lancet
- Evaluating Large Language Models for Automated Data Extraction in Systematic Reviews: A Validation Study of Treatment Evidence in Colorectal Liver Metastasis. **(Preparing)**
- Undernutrition by educational inequality of Mothers among Under-five children in Bangladesh: Insight from 2022.
The Journal of Nutrition, Health and Aging
- Identifying Risk Factors and Prediction of Computer Vision Syndrome among Primary School Students in Bangladesh by SHAP, LIME, and ML Models with Bayesian Optimization.
Smart Learning Environments

RESEARCH EXPERIENCES

Biostatistical Research Assistant

Apr 2025 – Present

Let's Enjoy Statistics, Preston, Lancashire, United Kingdom

- I assist in proposal development, clinical data curation, methodological development, and data analysis.
- Conduct statistical peer review of biomedical manuscripts for BMJ Group journals under senior supervision.
- Systematic review and meta-analysis, manuscript preparation, and data visualization.
- Mediation analysis, multilevel models, survival analysis.
- Applied advanced methods including GLM, GEE, Bayesian, spatiotemporal, and Cox models.

Research Assistant

Feb 2024 – Mar 2025

Md. Moyazzem Hossain, PhD, Professor, Statistics and Data Science, Jahangirnagar University

- Contributed to research design, proposal development, and field supervision.
- Designed questionnaires and managed data collection using KoboToolbox.
- Performed data cleaning, coding, quantitative analysis, and statistical modelling.
- Developed statistical analysis plans, interpreted results, and supported report writing.
- Conducted literature reviews and assisted with manuscript preparation for peer-reviewed journals

PROJECTS

- Assessment of old age home service in Bangladesh: Policy suggestions for the betterment of the senior citizens. (Ministry of social welfare, Bangladesh)
- Evaluating the Impact of a Novel Therapy on Motor Recovery in Stroke Patients: A Randomized Controlled Trial (Bangladesh)
- Level and Experience of Occupational Role Among People with Mental Illness After Receiving Occupational Therapy: An Experimental Study (Bangladesh)
- Bangladeshi Expatriates Mental Health and Entertainment Preferences: Investigating Content Consumption Patterns and Developing a Tailored Video Streaming Platform (Germany)
- The Paradox of Rest: Analyzing the Impact of Prescription Opioid Use on Sleep Quality among American College Students (USA)

TECHNICAL SKILLS

- Language and Software: **R**, Python, **STATA**, and Excel.
- Survey Design: Kobo Toolbox, Google Form

AWARDS/SCHOLARSHIPS

- National Science and Technology (NST) Fellowship 2025, which awarded by the Ministry of Science and Technology (MOST), Bangladesh Govt.
- Academic Merit Scholarship based on B.Sc. (Hons.) results, Jahangirnagar University.

LEADERSHIP ACTIVITIES

Co-Founder

31 July, 2023

Jahangirnagar University Research Society, JU, Savar, Dhaka-1342, Bangladesh

- Led the research project and arranged multiple workshops on research.
- Organized national research summit 2025, workshop on R programming, sampling design for primary research.
- Published 5 research paper in Q1 rank international journal and Lead in 15+ research project.

Research and Seminar Secretary

Statistics and Data Science Student Council 2024, JU, Savar, Dhaka-1342, Bangladesh

Dec 2024 – Dec 2025

- **Arrange research seminar:** Capacity Development Workshop on “Data Analysis and Manuscript Publication for Aspiring Statisticians” in collaboration with the Maternal and Health Division team of icddr,b.

CONDUCTED WORKSHOPS

Organized by Jahangirnagar University Research Society (JURS), Jahangirnagar University (2023)

- Introductory R: Time series data handling, modelling, and forecasting
- MS Word, Mendeley, Kobo Toolbox, Research Proposal Writing
